

LETTER OF APPRECIATION

29-09-2026

Dear Harshavarthan Venkatesan,

It gives me great pleasure to place on record my appreciation for your valuable contributions and active engagement with Microcosm, Kumaraguru Institutions.

During your association with Microcosm, you have demonstrated a strong commitment to learning, innovation, and the practical application of technology. Your willingness to take initiative, assume responsibility, and contribute beyond your academic requirements reflects commendable dedication and maturity.

Your involvement in initiatives such as the Harvard-supported Elephant Behavioural Analysis Project, Sustainability Intelligence Dashboard, and Analytical AI Dashboard for Sugarcane Research is particularly noteworthy. Through these projects, you have engaged with challenging research and technology-oriented areas and contributed to the development of meaningful solutions with institutional and societal relevance.

Your contribution has extended beyond project execution. Your efforts in mentoring team members, sharing technical knowledge, supporting peers, and actively participating in research, ideation, and project development have strengthened the team's collaborative learning environment.

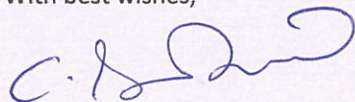

I particularly appreciate your initiative, perseverance, enthusiasm, and willingness to take ownership of responsibilities. Your readiness to explore new areas, learn continuously, and work towards meaningful outcomes demonstrates qualities that will support your future academic and professional growth.

At Kumaraguru Institutions, we value students who go beyond conventional learning and transform their knowledge into meaningful contributions. Your engagement with Microcosm reflects this spirit and is worthy of recognition.

I commend your efforts and the positive contribution you have made to the initiatives undertaken through Microcosm. I am confident that the experience and learning gained through these engagements will provide a strong foundation for your future endeavours.

On behalf of Kumaraguru Institutions, I extend my appreciation to you and wish you continued success in all your future pursuits. May you continue to learn, innovate, take initiative, and contribute with the same enthusiasm and commitment.

With best wishes,

Mr. Saravanan Chandrasekaran
